**Remediation Australasia is a quarterly magazine produced by the Australian Remediation Industry Cluster (ARIC) for the Australasian remediation industry.**

The publication is currently distributed to ARIC members and contributors throughout Australasia, free of charge.

Each edition of *Remediation Australasia* includes a range of full technical articles, regulator updates, case studies, training events, publications, and news relating to new technologies and research developments, keeping the reader ahead of the public debates and scientific advances within the industry.

It informs people working in the Australasian remediation industry about new research and outcomes that may impact on their business, and helps them to better respond to the challenges of dealing with contamination.
