Artwork requirements

Advertising artwork is to be supplied as a high resolution PDF, with fonts embedded or converted to outlines. Bleeds are only required for full page advertisements. Any queries regarding production requirements can be directed to the contacts listed below.

Proofs

Every effort will be made to match the proof supplied. However, please be aware that your proof may not be an accurate colour guide, as equipment and calibration vary slightly. All incoming material is scrutinised for possible problems in reproduction. If problems are identified in your material, you will be advised of what we have found. Often, with your permission, we can correct the problem or you may wish to replace the material. We will endeavour in all instances to assist in maximising the quality of the reproduction of your material.

Deadlines

Advertisements should be submitted for approval by the 15th of the month, two months prior (roughly 6 working weeks prior in total) to the publication release. Advertising and payment in full must be received on the 15th of the month prior to publication.
